Dear parents/carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2<sup>nd</sup> February 2024**.

As part of our commitment to make maths exciting and high profile in our school, we have decided to join in this nationwide day to celebrate maths and support the NSPCC in all that they do with supporting children and young people.

We will be working to solve exciting maths puzzles in our classes, against the clock with Buddy, the Speak out, Stay safe mascot. We will also be completing a range of fun and engaging maths activities and games throughout the day.

Children in KS2 will be involved in a friendly competition throughout the day involving schools across the United Kingdom on Times Tables Rock Stars (TTRS) for NSPCC Rocks.

As part of Number Day, we will be competing in 'Dress up for Digits' to raise funds, a contribution of £1, for the NSPCC, a charity that helps support children across the United Kingdom. We ask that you bring your donation in to be collected by the class teacher on the day. Pupils can wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie) or get more creative by dressing up in a maths or numbers theme.

We are really looking forward to all the fun of Number Day and look forward to seeing the children's attire and getting stuck into all the activities we have planned. All the money we raise at Maundene will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Yours sincerely,  
Mrs C Rattle  
Maths leader/ Year 6 teacher
