### Year 1 Toy Making Experience Day

Dear Parents/Carers of Year 1,

We are really pleased to inform you that on **Wednesday 6<sup>th</sup> March 2024**, Year 1 will have the opportunity to take part in a Toy Making Experience Day.

As our Curriculum topic this term is about 'changes in living memory, toys and leisure through time', we thought it would be fantastic to reinforce our knowledge with a workshop. Here, they will have the chance to:

- Make a toy using wooden components which will be taken home
- Access the toy museum
- Access the hands-on toy handling collection, where children will be able to see examples of a variety of toys and games, learn about their origins and have a go at playing them

The cost for the workshop is **£17.32** per child. The money for this should be paid via Arbor. **Please be aware that if we do not receive enough money to cover the cost of the workshop, unfortunately, we may have to cancel.** We ask for payment to be made by **Friday 1st March**.

**As the workshop will be in school, children will be coming in wearing their school uniform and eating lunch like in a typical school day.**

Kind Regards,

Year 1 Team
